Better Days Rescue Incorporated ("BDR") created the Foster-To-Adopt Program to place unaltered puppies and/or sick or injured dogs into an approved forever home in a foster situation prior to finalizing an adoption. The Foster-To-Adopt Program allows approved applicants to take an unaltered or sick or injured puppy or dog into their home until the puppy/dog is old enough or healthy enough to be spay/neutered by our licensed veterinarian or to be adopted. If the Foster-To-Adopt Parent is accepted into the program, then the Foster to Adopt Parent will foster the dog until it is altered and/or healthy enough to be adopted. During the duration of the Foster-To-Adopt Program, the dog/puppy will remain the sole and exclusive property of BDR. In order to be accepted into this program, all Foster-To-Adopt applicants must complete an Adoption Application that BDR has approved, and has had a home visit that BDR has performed. In addition, all applicants must agree to and sign this Foster-To-Adopt Agreement.
